<< ERASMUS+ YOUTH EXCHANGE PROJECT >>

Stop Violence! Start Tolerance!

21-29 APRIL 2024

LOUTRAKI/GREECE
Please read the given information carefully and do not hesitate to ask questions ☺ ☺
Violence is one of the most common problems faced by young people in today's world. Violence is the name given to the actions of brute force, which includes aggressive behavior, caused by physical force or psychological pressure. Since it is such a broad concept, it is one of the most important social problems of today.

Many people in our country and around the world are subjected to violence in various forms. Violence against women, sometimes physically and sometimes psychologically, appears in various forms such as peer bullying, racial and religious violence, exposure to violence at work, violence at school, violence against refugees. Many individuals are forced to leave their job or education unfinished. With the process leading to social isolation, both physical and mental health of individuals deteriorate.

In line with our research, our overall goal with this project is to increase awareness of violence among young people and to minimize this violence.
SPECIFIC OBJECTIVES of THE PROJECT

-To raise awareness of young people about human values and human rights

-To develop the skills of young people to communicate with young people from different backgrounds and identities.

-To increase the tolerance and tolerance of young people towards differences.
PARTICIPANTS

> The age limit for participants is 18-30
> Knowledge and motivation about the subject
> 7 people from each country (1 team leader + 6 participants)
> Experience on Erasmus+ for the team leaders
> It is important to consider the gender balance
PARTNER COUNTRIES and TRAVEL BUDGET

GREECE - 23€
BULGARIA (green travel) - 210€
ITALY - 275€
N. MACEDONIA (green travel) - 210€
SPAIN - 360€
TÜRKİYE - 275€
Loutraki (Λουτράκι) is a seaside resort on the Gulf of Corinth, in Corinthia, Greece. It is located 81 kilometers west of Athens. There are many tourists who visit Loutraki every year (especially in summer) because of its crystal clear sea. Ancient people said that Loutraki was the one of the favourite destinations of the ancient 12 gods.

For more information you can visit the following site: https://www.visitloutraki.com/en
The Project covers 100% of accommodation and food costs during your stay in the project. We will be staying in a new renovated hotel in the center of Loutraki. (other details will be shared later)

3 main meals and coffee breaks are provided per day. You will stay in rooms for 2-3-4 people with participants from different countries.
Participants can check their flight tickets to Athens Airport (which is closest one to Loutraki). From Loutraki, we will pick participants up with a bus to go to project venue.

- You must choose the optimal tickets for your travel.

- Don’t buy your tickets without confirmation from the project coordinator. (Tickets that are bought without confirmation will not be reimbursed.)

- Do not use a taxi or private car, it is not an eligible cost, in case there are other options.

- Never lose your boarding cards, e-tickets, invoices, and bus/train tickets, you will need your tickets for reimbursement.

- At least %80 attendance of activities is important to get reimbursement.
The accommodation and food (breakfast, lunch, and dinner), and 2 coffee breaks are 100% covered by Erasmus+ Programme.

On arrival day there will be only dinner, and on departure day there will be only breakfast/sandwiches.

Any participant may want to stay longer in Germany. Don't forget your travel days +2 days. All costs related to the extra days (for food, accommodation, trips, local transportation, or other types of costs that were not made for the project) must be covered by the participant himself/herself.

Workshops will be shared and all countries take responsibility during the project.

Everybody should bring some materials for the intercultural night representing your culture/country and work for the presentation together with the team as well.

We would like to promote respect for the environment and its resources: bring your cup, try to turn off lights when not using them, avoid the use of paper in the workshop if possible, etc.

Pack the digital devices useful for the development of the activities: laptop, iPad, phone, camera... They are a good tool to develop art and informal learning!

Participants should take their own responsibility for attending the activities on time and being respectful to the rest of their mates.
WHAT TO BRING

>> health insurance is not provided and will not be reimbursed from the project grant, all participants are strongly advised to purchase private travel insurance

>> Traditional food, drink, and souvenirs for THE INTERCULTURAL NIGHTS

>>POSITIVE MOOD :) :)
